Re: Bol Mex Zone, Reservoir A
SOUTH THORNWELL FIELD
Jefferson Davis Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DENBURY ONSHORE, LLC** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create two (2) drilling and production units for the exploration for and production of gas and condensate from the Bol Mex Zone, Reservoir A, in the South Thornwell Field, Jefferson Davis Parish, Louisiana, said units to be designated BOL MEX RA SUA and BOL MEX RA SUB, all as shown on the plat attached hereto and made a part hereof.

2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.

3. To provide that any wells drilled to the Bol Mex Zone, Reservoir A, should be located in accordance with the provisions of LAC 43:XIX.1901 et seq. (Statewide Order No. 29-E).

4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing should

the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

5. To consider such others matters as may be pertinent.

The Bol Mex Zone, Reservoir A, in the South Thornwell Field, is hereby defined as being that gas and condensate bearing sand encountered between the depths of 14,775 feet and 18,710 feet (electrical log measurements) in the Meridian Resource & Exploration Company – Howard Hughes No. 1 Well, located in Section 37, Township 10 South, Range 3 West, Jefferson Davis Parish, Louisiana.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from David Comeaux of Leon Comeaux & Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number 337/233-9839.

Pursuant to the Rules of Procedure, a pre-application conference was held on December 15, 2005, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by representatives of the applicant. Questions were asked and answered. No counterplans were presented. The conference was then adjourned.

Attached hereto and made a part hereof is a plat, along with the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, the plat (being the same plat attached to the pre-application notice dated November 23, 2004) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
